

# Other Fees and Charges

## Additional Mandatory Fees

In addition to the enrolment fees, students are required to pay:

- **Photocopying /printing of course and other materials**

Students must allow between \$25-\$50 per study period for printing and photo copying of their course assessments and other materials that are related to their course.

- **Fees for toolkits, uniforms, learning materials etc**

Prices will vary depending on your course of enrolment. Please refer to the Application Form and Shafston website under your specific course of study for these related fees.

## Overseas Student Health Cover (OSHC) Premiums

All international Students are required to take up OSHC before they start the course at the College. You may choose to have this arranged by Shafston or directly arranged with the service provider. OSHC cover can be obtained by various insurance agencies. For more information please enquire at Student Services.

## Living Costs

Approximate living costs (including shared accommodation, entertainment, travel and food expenses) are minimum \$20,290 per year. This depends entirely on the lifestyle of each individual student.

Following is a basic sample student budget for a one week period during a study period.

ITEM	ESTIMATED COST / PER WEEK
