Complaints and Appeals Policy

Shafston is committed to providing students with an education of the highest possible quality. However, from time to time, students may raise concerns or complaints about matters or issues relating to their experiences at Shafston. This policy sets out the conditions that apply within Shafston for addressing student complaints. This policy is designed to ensure that a transparent process for ensuring student complaints are dealt with fairly, consistently and promptly.

A complaint can be defined as a person's written expression of dissatisfaction with any aspect of Shafston's services and activities. Without limiting the circumstances which may give rise to a complaint, a student has valid grounds for making a complaint or lodging an appeal against a decision made in relation to a complaint, where the student considers he or she has been adversely affected by one or more of the following:

- A complaint or appeal about a student's academic performance.
- Improper, irregular or negligent conduct by a Shafston staff member.
- Failure by a Shafston staff member to act fairly.
- A decision that has been made without sufficient consideration to facts, evidence or circumstances of specific relevance to the student.
- Failure by Shafston to make a decision within a timely manner, (14 days).
- Complaint about the provision of Shafston facilities and services
- Complaint in relation to Shafston's policies and procedures
- Complaint made by a student against another student made to a staff member

This arrangement is free of charge. Shafston will commence assessment of the complaint or appeal within 10 working days and the outcome communicated to the complainant in writing as soon as practicable.

If this does not resolve the complaint, complainants may submit their appeal in writing by completing either a 'Student Complaint and Appeal Form' or for academic decisions a 'Student Complaint and Appeal Form for Academic Decisions' for consideration by the Management Committee or the Academic Appeals Panel. All documentation lodged as supporting evidence must be original documents or certified copies, no photocopies or facsimiles will be accepted.

Complainants must outline the decision and reasons for the appeal, including any compassionate or compelling circumstances, and may provide documentary evidence in support of their appeal. Appeals must be received within 20 days of receiving notification of the original decision.

Complaints and Appeals Academic Decisions

Complainants have the right to appeal decisions which they consider to be unfavourable and/or unreasonable in relation to:

- Academic misconduct
- Academic progress
- Eligibility to receive an award
- Assessment and grades
- RPL, Credit and Credit Transfer application outcomes

In the instance that a complaint or appeal is in relation to an academic decision, students must complete the 'Student Appeals and Complaints for Academic Decisions Form'. The complaint or appeal will be handled as outlined in the below procedure and relevant staff and panels will be from Academic Faculties.

Complaints and Appeals all other Decisions

Complaints and appeals that are not related to the above outlined academic decisions must be submitted on the 'Student Complaint and Appeal Form'. All complaints and appeals will be handled as outlined in the below procedure and relevant staff and panels will be from departments relating to the nature of the complaint or appeal.

Complaints and Appeals Procedure

All students or potential students can access the process to resolve their grievance, complaint or appeal with Shafston. During each stage Shafston will take all possible steps to ensure that:

1. the complainant and the respondent will not be victimised or discriminated against;
2. the complainant has an opportunity to formally present his/her case and each party to the complaint may be accompanied and assisted by a support person at any internal meetings, including an Internal Case Review;
3. detailed written explanations are provided of decisions and actions taken as part of the process;
4. where the internal or external complaint handling or appeal process result in a decision that supports the complainant, Shafston immediately implements any decision and/or corrective and preventive action required and advises the complainant of the outcome in writing.
5. where an internal complaint or appeal has been submitted, the complainant will be notified in writing of the outcome of the complaint or appeal.
6. there is no cost to the complainant for utilising the internal complaints and appeals process; however, there is a specified cost for utilising the external part of the process.

Step 1: Resolving Grievances

Students or potential students are encouraged, wherever possible, to resolve grievances directly with the person(s) concerned. For example: if the issue concerns an academic matter, the complainant should talk honestly to the teacher or trainer about his/her concerns. If the student or potential student has attempted to resolve the issue directly, but is not satisfied with the outcome or does not wish to approach the person(s) concerned directly, then he/she may discuss the issue with any of the following, depending on the nature of the complaint, i.e. academic or non-academic: (a) Student Services Officer; or (b) relevant Academic Coordinator. He/she may be accompanied or assisted by a support person during this process.

The grievance will be dealt with in a reasonable time. Every effort will be made to ensure this is within fourteen (14) days of receipt of the grievance. The complainant and any other person(s) directly concerned will be provided with the outcome of the discussion with second party and any actions that were taken or will be taken to resolve the issue. If the complainant is not satisfied with the outcome, a formal complaint can be lodged by the complainant under this policy.

Step 2: Lodging a Formal Complaint or Appeal

To commence the formal complaint or appeal process, the complainant must complete a student appeals and complaints form (available from the Shafston website). If the student's complaint or appeal is of an academic nature they must complete the 'Student Appeals and Complaints for Academic Decisions Form' and submit this to the Student Services Officer. If the student's complaint or appeal is of a non-academic nature they must complete the 'Student Appeals and Complaints Form' and submit this to the Student Services Officer.

The following information needs to be provided in writing on or accompanying the form:

1. details of the complaint or appeal;
2. supporting information that the complainant wishes to have considered;
3. an explanation of the steps already taken to try to resolve the complaint informally and why the responses received are not considered satisfactory; and
4. what the complainant thinks needs to be done to address his/her concerns.

Shafston will commence the process of considering the complaint or appeal within fourteen (14) days of receiving the written Appeals and Complaint Form, and will advise the outcome of the appeal or complaint in writing to the complainant. He/she will ensure all steps are taken to resolve the complaint as soon as practical.

What happens then?

Once the complaint has been formally lodged, the process will commence within 10 working days from the date of lodgement. Shafston will take all reasonable measures to ensure that the complaint is finalised as soon as practicable.

In considering the complaint, the Director and/or General Manager will arrange a meeting with the Staff involved enabling a clear understanding of the case. The complainant's Appeal and Complaint Form and supporting documentation will be considered by the Director and/or General Manager along with the discussion held with the staff involved. The complaint will be investigated by the Director and/or General Manager who may discuss the issues with the person(s) concerned, and may confer with the relevant staff involved.

If he or she considers that the complaint is upheld, then he/she will immediately notify relevant staff to implement the actions required to resolve the complaint. The complainant will be provided with a written outcome of the steps taken to address the complaint within twenty (20) working days of the commencement of the complaint process.

If the complaint is not upheld, then the complainant will be given a written outcome detailing the reasons for that decision. The complainant will also be advised of his/her right to access the internal appeals process if not satisfied with the outcome of the formal written complaint.

The Director and/or General Manager will retain a written record of the complaint and its outcome and this will be placed in the Students Admission file.

Step 3: Lodging an Internal Appeal

If a student is not satisfied with a decision made by Shafston, he/she has twenty (20) working days from the dated written notification by Shafston in which to lodge an Internal Appeal to have the case reviewed at no cost to the student. This includes decisions relating to the outcomes of complaints and assessment appeals, as well as notifications of unsatisfactory academic progress, unsatisfactory attendance, student misbehaviour or misconduct, refund refusal notices, refusal to provide a letter of release, and/or pending cancellation of enrolment by Shafston. Appeals should be lodged in writing on the Student Complaint and Appeal Form submitting the Student Complaint

and Appeal Form for Academic Decisions if applicable, available from the Shafston website.

The appeal will be considered by the Director and/or General Manager, who may decide:

1. to make a determination based on the information provided;
2. to establish an Internal Case Review Panel and conduct a meeting with the complainant, case review panel and relevant staff; or
3. that there are insufficient grounds or supporting evidence to support the appeal, thus concluding the consideration of the matter under these internal appeals procedures.

The student will be advised in writing of this decision and the reasons for it. If the decision is for an Internal Case Review Panel and meeting with the complainant and relevant staff, the student and staff will be informed of the membership of that panel, and the procedure to be followed, at least ten (10) working days in advance of the review date.

The Internal Case Review Panel will consist of the Chief Executive Officer or his/her nominee (in the Chair), a Head of School or his/her nominee, and another senior member of Shafston staff (who is not one of the student's trainers and not involved in the complaint or appeal).

The meeting will be conducted in private and all relevant facts will be taken into consideration. The complainant may attend and be accompanied by a friend or representative who may speak and act on his/her behalf, including providing evidence. If the complaint involves another person(s), they will also be invited to present their case to the panel. A written record of the meeting will be taken.

The student will be notified of the decision of the Internal Case Review Panel in writing within ten (10) working days of the decision. If the appeal by the complainant is successful and in favour of the complainant they will be informed of the action to be taken to resolve the matter. Shafston will immediately implement any decision and/or action required.

If the appeal is not successful and the original complaint decision remains, then the complainant will be given a written notice of the outcome including the reasons for that decision, and advising of his/her right to access the external appeals process if not satisfied with the outcome of the Internal appeal.

Step 4: External Appeals

In the event of the complainant remaining dissatisfied with the result or conduct of Shafston's internal procedures for handling of the complaint, he/she has the right to access an external appeals process at minimal cost. International students who wish to lodge an external appeal can do so through the Overseas Students Ombudsman. See the Overseas Student Ombudsman website for further information www.oso.gov.au or phone 1300 362 072) for a review of that decision. The external appeal must occur within twenty (20) working days from the dated written outcome of the Internal Appeal, unless special circumstances apply. The purpose of the external appeals process is to consider whether Shafston has followed its policies and procedures, rather than make a decision in place of Shafston.

If the external appeal process supports the complainant, then Shafston will immediately implement any recommendations, and advise him/her in writing. When appropriate, these recommendations will be incorporated into the Shafston's policies and procedures for implementation ensuring the continuous improvement of service and quality education to students.

If the complaint is not upheld, the complainant will be given a detailed written explanation by the external reviewer. It will include the reasons for that decision. The procedures set out in this document do not replace or modify procedures or any other responsibilities which may arise under other policies or under statute or any other law. Nothing in this policy and procedure limits the rights of individuals to take action under Australia's Consumer Protection Laws. Also, these procedures do not circumscribe an individual's rights to pursue other legal remedies.
