A QUICK LOOK

This professionally designed course will equip you with the fundamental know-hows to succeed as a Childcare Worker.

Job Prospects:

- Early Childhood Educator
- Outside School Hours Assistant
- Family Day Care Provider

COURSE DESCRIPTION

The Early Childhood Education and Care profession is one of the fastest growing professions in Australia and is expected to grow over the next 5 years. This qualification will provide you with excellent employment prospects due to Child Care workers being in high demand.

This qualification reflects the role of workers in a range of Early Childhood Education settings who work within the requirements of the National Quality Framework. Students will learn to support the implementation of an approved learning framework, and support children's learning and development while providing high quality care. This qualification will enable direct supervision or autonomous work activity in a range of childcare facilities such as full day care centres, occasional care facilities, crèches and family day care as an Early Childhood Educator.

Assessment:

Possible assessment methods are:

● **Written Tasks**

Written assessments include case studies, question-answer type tasks such as online quizzes, written reports and assignments, reflective evaluations, self-evaluations, project work, demonstrations and class presentations.

● **Examination**

This includes written 'Question-Answer' type tasks in an examination.

● **Observation**

Shafston teachers will observe your performance of tasks in real or simulated workplace environments. This includes participation in role-plays, group discussions and demonstrations of practical skills and knowledge. Students on vocational placement will be observed by a qualified professional.

● **Vocational Placement**

There is a mandatory vocational workplace practicum requirement of 120 hours in the course: CHC30113 Certificate III in Early Childhood Education and Care. Students entering the program are familiar with regulated early learning services and vocational placement; and if they are not currently employed in a service, it is expected that they will secure their own vocational placement. Shafston will assist our students if required.

It is compulsory for students to hold a Blue Card in Queensland to participate as a student in a regulated early learning service. Students are expected to maintain the status of their Blue Card throughout the duration of their enrolment.
