

International Students Cancellation and Refund Form

Definition of a Cancellation of Enrolment:

Cancellation of enrolment can be initiated by either the College or the student in documented circumstances.

Students who initiate a cancellation at any time for any reason should consider the financial penalties they may incur when submitting this form.

Shafston strongly recommends that students read the Deferral - Suspension and Cancellation of Studies Policy and Procedure, the International Students Fees and Charges Policy and the Written Agreement / terms and conditions of enrolment, all available at <https://shafston.edu/forms-policies-and-procedures/>. Also to seek advice from the Department of Home Affairs (immigration) prior to completing and submitting this form.

You should use this form:

To cancel from a course or packaged program you are enrolled. If you're a student visa holder, the Confirmation of Enrolment (CoE) for your current course will be finished early and all future CoEs will be cancelled as non-commencement of studies.

If you are transferring to another registered provider you must complete the Application for Release form instead of this one.

Important information you need to know before completing this form:

Students may request a refund, however the refund will be assessed as per Written Agreement / Terms and Conditions of enrolment as well as the payment plan terms and conditions. Students will generally not be eligible for a refund if cancelling their enrolment after the commencement date of their course or packaged program, but they may apply under compassionate or compelling circumstances which will require documentary evidence and a personal statement explaining the reasons why they are cancelling to be submitted with this form.

Students will not receive any academic penalty for units that have not yet commenced (VET Students only).

Once this cancellation form is received, the Student's CoE will be cancelled or finished early notifying Immigration that the Student is no longer enrolled at Shafston.

If a Student has outstanding fees, they will be required to make payment of these fees prior to their last day. Failure to do so will result in Shafston reporting them to immigration for non-payment of fees.

A cancellation fee of \$500 is payable per course or packaged enrolment canceled and a payment plan cancellation fee may apply as per the payment plan terms and conditions.

Students will be notified of the outcome of this application in writing within 10 working days of the date Shafston receives your fully completed application form (including all supporting documentation).

Bank Transfer Information:

If the student is staying in Australia after leaving Shafston they can elect to have their refund deposited into an Australian Bank Account which is held in their name. Please complete Local Bank Details section of this form.

International Bank Transfer Information:

It usually takes 2-5 business days (from processing date) for an international transfer to reach accounts, however, it could take longer depending on the recipient's country and bank.

Due to exchange rate variations and bank fees, there may be a difference between the amount paid and amount received.

The Intermediary Bank Details section is only required when intermediary Banks are involved in the international transfer process – you must ask your bank or financial institution for this information.
