2026 VET Promotion Policy Overview

Key Points to Remember

1. Promotion Matching

- Match the partner RTO's official tuition fees and promotions
- No additional discounts beyond approved partner promotions

2. Provider Risk Level Requirements

- Match the partner RTO's official tuition fees and promotions
- No additional discounts beyond approved partner promotions

3. Level 3 Provider Pricing

- If enrolling with a **Risk Level 3 provider**, apply Level 3 pricing regardless of student's source country
- This includes students from Risk Level 1 countries enrolling with Level 3 providers

4. Final Fee Confirmation Factors before finalizing any fees, consider:

- Provider risk level
- Student source country risk level
- Visa integrity and compliance requirements

Important Reminder

To protect visa assessment integrity and ensure smooth processing, we cannot offer additional discounts outside approved partner promotions. Please ensure all pricing is confirmed before issuing any offers to students.

Next Steps

If you need pricing confirmation for a specific case or have questions about provider/student risk levels, please reach out to pathway department before proceeding.

Thank you for your attention to these guidelines. Your cooperation ensures we maintain our high standards and compliance.
