2. Immersion

Shafston has built strong partnerships with leading Australian primary and secondary schools to deliver high-quality education and comprehensive support. Through our immersion programs, students participate in real English classrooms, learning side by side with Australian and international peers. This experience not only strengthens language skills but also deepens cultural understanding and creates lifelong friendships. Students enhance their English proficiency while gaining valuable insight into Australia's unique educational culture, laying a strong foundation for future study and life.

Program Options:

- Australian School Immersion:** Study the local school curriculum.
- Shafston in School:** Join a School Preparation Course within a partner school.
- School Gateway:** Start with ESL at Shafston, then experience a local school.
- Shafston Exchange:** Immerse for one full school term.

3. Research

Shafston has designed specialised programs for students who wish to use overseas study tours or short-term experience to strengthen their academic profile, broaden their knowledge, and prepare for future career pathways.

University Exploration

This program takes students on in-depth visits to Australia's leading universities, including the University of Sydney, UNSW, UTS, the University of Queensland, Griffith University, and Bond University. Through this program, students will:

- Explore a wide range of disciplines and gain valuable insights to support future study-abroad decisions and career planning.
- Experience real learning in a university environment and have the opportunity to earn a certificate of completion from university courses.
- Build tangible achievements that will strengthen future university applications and enhance academic development.

Shafston Research

In partnership with leading universities, Shafston has developed a research-based program tailored for junior students. Before departure, students are assigned a themed research project to begin their exploration. Upon arrival in Australia, Shafston provides subject-specific courses and experiential activities related to their chosen theme. The program concludes with a university-led workshop, where students present their findings and complete their research project.

Upon successful completion, students receive both a Shafston Research Certificate and a University Certificate of Completion, adding significant value to future applications for international schools, overseas high schools, and universities.

Overseas Internship Program

Shafston offers students the opportunity to gain valuable overseas internship experience. Each student begins with a 4-week personalised training program, designed to develop Australian and international workplace skills according to their English proficiency and academic background.

Following this preparation, students undertake an 8-week internship placement aligned with their background and interests, providing authentic workplace exposure and professional growth.

This program is available for individual students only.

Young Learners Camp

Shafston's most celebrated program, the Young Learners Camp, opens the door for your child to experience Australian culture first-hand, make lifelong friends from around the world, and take their English to the next level. With a carefully designed mix of learning and adventure, the camp showcases the very best of Australia while nurturing confidence, critical thinking, and a truly global outlook.

Homestay

Living with a local host family offers you a unique way to experience the Australian multicultural lifestyle and culture, while you practise English.

In fact, living with a homestay family will help you with more than just the English language. You will learn about life & customs, the local coffee shops, restaurants, and fun activities that Brisbane and the Gold Coast have to offer.

No one knows these things better than a local!

Staying with an Aussie family is the best way to learn about the community that you will be joining so that you can go out and discover life here with confidence.

We have an on-campus Homestay Department to assist students with settling into their 'home' in Australia. With hundreds of homestay families hosting Shafston students, we are able to meet just about any request, and help you if any problems may arise.

Ms Lucy
Since 2023

I have been a homestay family with many schools all over Brisbane, and recently I have joined with Shafston Family because they offer such great service and are very local. I feel like the world comes to me having international students, and so have people all around the world. And I love all the Multiculturalism and different languages and watching young people developing, got scores.

Ms Jane
Since 2004

I have been hosting students through Shafston for about eighteen years.. And I love to cook, so I love to sort of show them Australia of my life. I would just like to say thank you to all the staff at Shafston. I think they do a wonderful job. I'll just say that they provide great service.

To make your arrival in Australia as smooth and comfortable as possible, Shafston offers personalized airport transfer services for study groups. We ensure your journey starts off effortlessly, so you can focus on enjoying your experience.

Arrival:

We arrange for friendly and professional drivers to greet your study group at the airport and safely transport you to the Shafston campus.

Departure:

For a smooth return trip, our departure team prioritizes early flights to ensure timely arrival at the international terminal.
