[^] Shafston strives to autonomously arrange homestay placements. Nevertheless, Shafston retains the prerogative to engage with third-party or external entities under diverse circumstances.

[^] Shafston conducts periodic reviews to accurately reflect changes in living expenses in accordance with prevailing Australian economic conditions. Updates regarding homestay fees are consistently disclosed every six months, with a commitment to providing a minimum of four weeks' notice. Shafston retains the right to modify homestay fees, irrespective of whether students have already completed check-in procedures and prepaid their fees. In such circumstances, students will be obligated to make payments to cover any fee increments if they wish to continue Shafston's homestay or accommodation services.

In such scenarios, these third-party entities may impose distinct homestay fees, for which the student shall be obligated to provide payment.
