<sup>^</sup> Shafston strives to autonomously arrange homestay placements. Nevertheless, Shafston retains the prerogative to engage with third-party or external entities under diverse circumstances.

In such scenarios, these third-party entities may impose distinct homestay fees, for which the student shall be obligated to provide payment.

<sup>^</sup> Shafston conducts periodic reviews to accurately reflect changes in living expenses in accordance with prevailing Australian economic conditions. Updates regarding homestay fees are consistently disclosed every six months, with a commitment to providing a minimum of four weeks' notice. Shafston retains the right to modify homestay fees, irrespective of whether students have already completed check-in procedures and prepaid their fees. In such circumstances, students will be obligated to make payments to cover any fee increments if they wish to continue Shafston's homestay or accommodation services.
