

Accommodation Refund Form

Version 1.5

You should use this form:

To cancel your accommodation booking prior to the original check-out date.

In accordance with Shafston's policy, please be advised that if a student checks out of homestay/Student Accommodation prior to the scheduled check-out date due to personal reasons, a two-week homestay/Student Accommodation fee will be charged starting from the day the student checks out. The new check-out date provided on the Refund Form will be considered the first day of the required two-week notice period. As per our refund policy, the refund amount will be calculated based on any unused homestay/ Student Accommodation fees, minus a two-week homestay/ Student Accommodation fee and any applicable administration fees.

Local Bank Transfer Information:

If the student is staying in Australia after leaving their accommodation they can elect to have their refund deposited into an Australian Bank Account which is held in their name. Please complete Local Bank Details section of this form.

International Bank Transfer Information:

International Bank details provided on this form must match that of the Student or the Bank Account that the payment was received from. If the information is different, the refund process will be delayed.

The Beneficiary is the person who will be receiving the refund - this must be the same person who made the original payment. Please note: this could be your agent, your parent or a relative etc.

We suggest you take this form to your bank or financial institution as they can help you to complete it correctly.

It usually takes 2-5 business days (from processing date) for an international transfer to reach accounts overseas, however, it could take longer depending on the recipient's country and bank.

Please note: Due to exchange rate variations and bank fees, there may be a difference between the amount refunded by Shafston and amount received to your bank account.

The Intermediary Bank Details section is only required when intermediary Banks are involved in the international transfer process - you must ask your bank or financial institution for this information.

How to apply for an early check-out and refund:

1. Complete all relevant sections of this form.
2. Attach all relevant supporting documentation (if applicable)
3. Submit your form to the Homestay Department.
