Two Paths to a flying start in English

Shafston Summer Holiday Programs give your child the chance to accelerate their English while experiencing life in Australia. Families can choose between two distinct paths: the **Young Learners Camp Experience** in Brisbane — a 3-hour English class each morning, followed by a 1-hour Speaking Class and a 1-hour themed workshop (such as singing, dance, art & craft, dot painting or yoga), plus regular cultural excursions and outings throughout each week — or the **PEP / HSP Experience** in Sydney, a school-style program of academic English across subjects such as reading, writing, grammar, math and STEAM.

In this safe, welcoming environment, your child will be supported to reach their potential by highly qualified and experienced teachers.

Exceptional English Classes

Students are taught core listening, speaking, reading and writing skills, and also learn important team-building, leadership and problem-solving skills. Our teachers provide a friendly and structured environment that fosters positive communication and confident learning.

Workshops & Excursions

We provide a rich cultural experience that's lots of fun! From Aboriginal art and storytelling to wildlife encounters and local explorations — every day brings a new discovery.

Brisbane Campus

Shafston College is one of Australia's leading ELICOS providers, renowned for quality education for international students. Located on the iconic Brisbane River in Kangaroo Point, less than 4 km from the CBD, Brisbane is one of Australia's fastest-growing cities, known for its vibrant urban precincts, outdoor lifestyle, and friendly locals. Explore the famous Queensland Museum, learn about Aboriginal culture, meet fascinating reptiles, and experience the city's dynamic arts scene.

Sydney Campus

At our Sydney campus, students can immerse themselves in the rich history and culture of Australia's largest city. Discover the iconic Sydney Opera House, visit the Australian Museum, explore Darling Harbour, and enjoy the city's world-class arts and entertainment scene. Wherever you choose to study, you'll have the opportunity to experience Australia's diverse culture while making unforgettable memories!
