A flying start in English

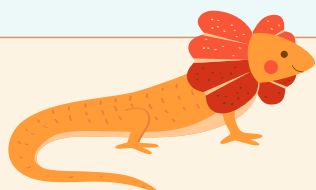

Shafston's Young Learners Camp gives your child the chance to accelerate their English while experiencing life in Australia. Each morning brings three hours of English class, and afternoons combine a one-hour speaking session with a one-hour themed workshop exploring different aspects of Australian culture — with some days swapped out for a half-day excursion or a museum visit instead.

In this safe, welcoming environment, your child will be supported to reach their potential by highly qualified and experienced teachers.

Exceptional English Classes

Students are taught core listening, speaking, reading and writing skills, and also learn important team-building, leadership and problem-solving skills. Our teachers provide a friendly and structured environment that fosters positive communication and confident learning.

Workshops & Excursions

We provide a rich cultural experience that's lots of fun! From Aboriginal art and storytelling to wildlife encounters and local explorations — every day brings a new discovery.
