SYDNEY
PEP/ HSP

Primary English Preparation (PEP) CRICOS: 107819A
High School Preparation (HSP) CRICOS: 106230E

PEP 7 - 11 Years

PEP program provides a foundational academic framework for younger learners entering the Australian school system. The curriculum focuses on developing core literacy skills, including basic grammar structures, essential reading comprehension, and structured writing practice. Students engage with age-appropriate academic content to build the vocabulary and conceptual understanding necessary to participate confidently in primary school subjects such as science, mathematics, and humanities.

HSP 12 - 17 Years

HSP is an intensive academic program designed to mirror the demands of the Australian secondary curriculum. It develops proficiency in advanced academic English, with a strong emphasis on critical analysis, formal essay and report writing, and effective note-taking strategies. Students master research methodologies and deliver formal presentations, equipping them with the specific linguistic and cognitive skills required for success in high school examinations and subject-specific studies.
