Shafston Study Tour Immersion Programs 2027

Shafston has built strong partnerships with leading Australian primary and secondary schools to deliver high-quality education and comprehensive support. Through our immersion programs, students participate in real English classrooms, learning side by side with Australian and international peers. This experience not only strengthens language skills but also deepens cultural understanding and creates lifelong friendships. Students enhance their English proficiency while gaining valuable insight into Australia's unique educational culture, laying a strong foundation for future study and life.

Australian School Immersion

The Australian School Immersion Program gives international students the opportunity to experience real Australian school life by studying the local school curriculum alongside domestic students.

Participants join regular classes in subjects such as English, Mathematics, Science, Humanities, and Arts, while also engaging in sports, music, and cultural activities that are part of the Australian education system. This provides students with:

Learning with Australian Buddies	Study side by side with local students and build lasting friendships.
Authentic Classroom Experience	Join real lessons in Australian schools and experience local teaching styles.
Diverse Curriculum	Take part in a wide range of subjects, from English and Science to Arts and Sports.
High-Quality Educational Support	Benefit from dedicated guidance to ensure a smooth and rewarding learning journey.
